Notes for Harrison SKINNER:
NOTES OF - IRA ULYSSES SKINNER SON OF HARRISON SKINNER

October 17, 1932

The John Croutzon Skinner's lived in Madison Township Muskingum, Ohio on a farm south or a little south west of Prospect M.P. Church or south of what is now the George Thomas farm. This is where he built the first frame barn in Madison Township, it sill stands today, and on which farm he raised his children from his first wife Nancy Garrett. This is the same farm where Nancy Garrett (1799-February 7,1845) and three of her children died of the flux (Typhoid) in 1844. After some time (March 13, 1845) my grandfather then married Isabel Linsey. Grandfather's daughters who were pretty well grown did not like the marriage. My father, Harrison Skinner, related to us about Isabel Lindsey saying she was going into a home where their were large girls and children to do the work So children were stirred up the more, girls taking some of the best bed clothing and hiding it out in the woods which covered much of the land then before grandfather brought his second wife home. I think most of the children left home. My father Harrison Skinner being very young child (4 yrs old) when his mother died remained at home. But I do not know how many others remained at home. My father was short, stout, hearty, light curly headed little boy, and said once his stepmother tried to force him to do something when he threw coal at her.

His second wife left him once, but grandfather went and brought her back to home on horse back behind him. His first wife's children never spoke very well of her. Grandfather must of not have lived his life out with her. I understand that my grandfather went west and lived the rest of his life with his son. John Garrett Skinner, in Columbus City, Iowa.
The youngest son of John Croutzon Skinner by his first wife whose maiden name was Nancy Agnes Garrett is Harrison Skinner. Born in Madison Township, Muskingum county on the farm described above where all of his children by his first wife were born. After a few years my father, Harrison Skinner, (13 yrs old) made his home with his good brother, John Garrett Skinner and his good wife Martha Young. My father often spoke of the good home they gave him,
but that must not have been long, but my father had to look out for himself working for people. Not having any home, only where he found work, winter and summer serving others. I think Uncle Joseph Skinner lived in Madison Township awhile then, but do not know whether he work any for his brother Joseph Skinner. But he worked much for Eliza Little where Grant Little now owns, and worked for large farmers in Coshocton County.
Harrison Skinner volunteered and fought with Company B, First Ohio Calvary (1863-September 13, 1865) in the Civil War. Was with Sherman's army at Atlanta and Sherman's march to the sea, and his army was making for Libby Prison when war ended. Saw Jeff Davis after he was captured (Remember he was disguised as a woman when first was captured). His company was left at Hilton, stood on guard duty awhile after war, then brought north on back he brought belt and sword home with him and I now have it. He once being sick was sent to a hospital and that men suffering and moaning some for home, some tossing and dying. Thought he was put into bed before dead man taken out. He put in such a night he resolved if he got a chance he would get out. His medicine was Quinine. Next morning doctor asked about how he was and put on a "better" pretense, that he felt well enough to go back to the company, but doctor said some were going to another hospital and he could go. Along the way father figured officers in charge would go in first and so he did and officers and other started and ran way turning every comer he came to thinking they could see him and follow him. So on way out to his company he met Wiley Garrett (his mother's brother son) his cousin corning in to see him. He never received a pension until he was old in his later years. Wiley Garrett, H. H. Garrett (cousins) and the Deckers were in his company. After war he married Hannah Mahala King. Hannah Mahala King, daughter of Hugh King, one of the seven king brothers of an early settler of Madison Township, when wild turkeys were hunted. This early settler's name is Patrick King a blacksmith, his son Hugh King worked in his shop.

Harrison Skinner began housekeeping in a log cabin with one door and one window on the back of

Generation 3 (con't)

run called Packsaddle run, here his first child, Ira Ulysses skinner, (August 29, 1871) was born. Where he by hard work kept a wolf from the door. He and some few formed a company and bought timber on Pleasant Hill, Madison TWP, converted in to timber. But was a losing proposition. Father had to borrow money from uncle Joseph Skinner, who was fairly well fixed, but insisted on father for his money. Father finally got the money and paid his brother Joseph money he had borrowed to put in timber. Father finally moved onto land of his wife's father, and farmed. Renting until sometime after his (7) seven children, four boys, and three girls were born when bought what was early know as Smith farm. Which he in older days
. sold to his son Ira Skinner and moved to Adamsville Village and retired and lived in second (now first) house below school buildings. He being afflicted with organic heart trouble from which trouble he died on March 23, 1913 and buried at Dresden cemetery. The funeral said to be last funeral to cross the old wire suspension bridge across Muskingum River. The flood of 1913 taking away this bridge that night.

He didn't return to Peabody for 30 years. Not even for his fathers funeral. In his later years he made up with his brother and they visited as often as they could. In Colorado he

William at the end of his life acquired colon cancer and in 1942 along with his daughter Hazel traveled out to California to visit with his son Bill and his family, there he died at the age of 67 years. Notes for Hiram Odel SKINNER:
Hiram's account of his family's trip from Iowa to Kansas as told to his granddaughter, Virginia Skinner;
Our first day on our way to Kansas was not so good. The team we were going to work on the family wagon was pretty frisky. We thought we should work them on a loaded wagon for a day or two - they had light harness. We were going up a steep hill when one trace broke; and then they all broke. The wagon started down hill. Eva and Robbie were in the wagon with me. We were all afternoon repairing harness and wagon bows. These happen near a sawmill. That was our lucky point.
The first Saturday we were on the road we stopped for dinner, and it wasn't at a cafe--it was a campfire dinner on the roadside. We had just finished our dinner when there came up a big rain and we were at the foot of a very steep hill. It was so slick we weren't sure we could make it up the hill. all the time we were eating our dinner we were wondering about the sound of drums bumping away.
Dad said he would walk to the top to a hill and see what was making that noise. He came back and reported it was an old bachelor and his old maid sister--Robert and Martha McCormick. Since we did no driving on Sunday, Dad asked if we could camp in their barnyard over Sunday. "Sure," was their reply? They were the finest folks you could ever meet.
Our next rest was a Clearfield, Iowa, at my dad's sister's home--Mrs. Nancy Brown and family. From there we went to Isadora, Missouri. My mother had a brother there--Billy McConahay--ad we spent two or three days there.
We traveled on to White Cloud, Kansas where we crossed the Missouri River on a ferry. We saw our first Indians.
We arrived in Peabody, Kansas on October 28, 1896.

Notes for Ellen Cleo SKINNER:
I was the first child of WILLIAM ANDREW SKINNER and SARAH "SADIE" CARSON SKINNER. I was born in Peabody, Kansas November 9, 1900. Papa's family moved to Kansas from Iowa and mama's family came from Philadelphia to Kansas. They were married in Peabody, Kansas November 29, 1899. Mama was a niece of Kit Carson and was related to General Palmer, who founded Colorado Springs.
We moved to Colorado Springs when I was one year old. We lived in a condominium where the Seldom Ridge Grain Company is now. I remember one time when I was about two years old that mama went shopping and was wearing a fur around her neck. She put it on me and when I walked it would drag the ground and make a noise on the boardwalk. We moved to Moreno Avenue after Isabel was born, then to Washington Avenue after Rachel was born, then to our house that papa built on Park A venue in 1907.
Papa pulled the large bell into the Bell Tower of the Courthouse with his horses.
I remember Teddy Roosevelt coming to town when I was in the Lowell School and rode his white horse that was prancing and our class sang a song and tipped our little hats to him.
William (Billy) and Martha (Sue) were also born in Colorado Springs. Edgar (John), Edward, Alvord (Jiggs), Hazel (Sis) and Ross (Bud) were born on the homestead in the Chico Basin north of Hanover. We moved to the homestead April 1, 1911. After moving to the homestead, the horses had sand compaction and died. Papa had to go to Colorado Springs to work to support the family who stayed on the homestead. He came home on weekends, about 31 miles, and had to walk back and forth. The neighbors were very good and put out our crops and garden that spring for us. Isabel and I hauled water in a little red wagon about two miles for the family to use. Also we helped papa haul water in a regular wagon. A 60 foot well was finally dug on the place and it was very good water. When digging the well a human skeleton was dug up, but when it was brought up out of the well it deteriorated very rapidly.
In about 1912 papa bought a team of horses and left his job in Colorado Springs to devote his time to farming and caring for the family. In 1913 we had a big blizzard that virtually covered the house. There were a lot of hard times, hard work, rattlesnakes, coyotes, etc., but we made it and it was probably good for us to experience it to be able to face the world and its hardship. I remember that we raised a lot of watermelons and papa delivered them in a wagon to Colorado Springs and sold

Generation 6 (con't)

them to people. It took one day to go, one day to sell and one day to come back home.
When I was about 17 years old we had a bad windstorm, possibly a tornado close by, that about blew our roof off.
We were hanging onto the roof and Isabel ran three miles to the Greens to get help for papa.
When I was about 21 years old, lightning struck the house in the southeast comer. I was playing the organ and the lightning knocked me out. Susie was thrown against the wall and Rachel and mama were stunned. They threw water on me
to bring me around..
After marrying Walter, we had Wilbur, Hubert, Kenneth and Wilberta when we lived on the Beuker place just north of Hanover School. We then moved to Missouri October 29, 1929. We lived near Papinsville, Missouri for about three years. Mama died December 26, 1933 while we lived in Butler. I took John and rode a train to Colorado for that sad occasion. Then we moved to near Christopher, which was about nine miles southeast of Neosho, Missouri for about seven years. Those were seven hard years, due to drought conditions; Chester and Ervin were born while we were near Christopher. Then we moved back to the Butler area. We now are retired and live in Raymoore.
There are many found memories that linger in my mind of my childhood and adulthood. It has been a good life.

Notes for Rachel Margaret SKINNER:
I was four years old the spring we moved to the homestead. May 2, 1911 Mama, Ellen, Isabel, Rachel, Susie and Bill spent the first summer all-alone out there, with only an occasional sheepherder and plenty of coyotes around us. Mama was a brave and hardy person. Papa rode a bike out to see us on weekends. Reason for the bike, all the horses died from eating sand. They were city animals and the new spring grass was so good they ate it into the sand filling their stomachs with sand. Buffalo horns were all about, also their bones left from the hiders (men who killed them for the hides). This did help us some, as bones were in demand for buttons, combs, etc. We kids helped pick them up and papa haled them to town. Of course he had gotten more horses by then. How wonderful it was when Papa came home. He most always brought us a bag of candy and big glorious bananas. I could go on forever so this is where I'll stop. Would have to write a book about where Jack and I wandered. Such a good life!

Notes for William Carson SKINNER:
Bill and Leona moved from Colorado to California in the fall of 1940 when their youngest child Kenneth William was 3 mos old. They loaded up their model A Ford and along with Bill's brother Jiggs (Alvord Carson Skinner) headed west toward California. Along with Kenneth their other children were Eugene and Frieda. They made a hammock and strung it across the interior of the car so the baby could lay down. Their destination in California was Orange Co, California where Leona's uncle William McQueen lived. Along the way they spent a couple of days with Leona's uncle Hugh McQueen in Arizona and then continued on toward California. They stayed with William McQueen until Bill was able to get a job. Leona's cousin Delbert McQueen would drive Bill around to different job prospects. Bill was able to get a job with Douglas Aircraft in El Sequndo. They moved to El Segundo and purchased a house at 510 W Palm Ave. Two more children were born while they lived in El Segundo, Barbara Jane and Marguerite Stella. In 1947 they moved to Lawndale where Danny and Robert were born. The home in El Segundo was need of a great deal of repair, termites nearly destroyed the house. So purchasing another home was cheaper than

repairing the existing one. They stayed in Lawndale for 33 years. They raised 7 children there. In 1975 Bill retired from Hughes Aircraft and in 1980 Leona retired from the retail business, manager of the Super Yam Mart. They sold their house in Lawndale and move to Ventura, California. Leona died in Ventura in 1986 and in 1991 Bill moved to Morro Bay, California. In June of 1993 Bill moved to Fresno. There on October 23 he died from complications of "Aplastic Enemia".
